### **Santa's Pack Held Thirty Toys**

Try this tough poetic puzzler involving five elves, dressed in five different colors, who made five different types of toys. Can you figure out who made what?

To receive the full amount of extra credit, you must include any work you did to solve the problem, no matter how sloppy or unorganized it is. You can use whatever strategy you like, as long as you show me your thinking! Answers without justification will not be awarded credit!

1. Ol' Santa's pack held thirty toys
2. Made by this elfin crew.
3. And though none made the same amount
4. Each made more than two.
5. The elf named Cher made one more toy
6. Than the elf dressed in red.
7. But Cher made one less Christmas toy
8. Than the elf who made the sleds.
9. Spry Johnny Elf made racing cars
10. Five toys were made by Jane.
11. The elf who dressed in yellow suits
12. Made each and every train.
13. The elf who dressed in green
14. Made one-third as many as Sue.
15. Cute Marcia Elf was dressed in orange.
16. And one elf dressed in blue.
17. The elf who made the spinning toys
18. Made the most toys of them all.
19. Another perk, smiling elf
20. Made each and every ball.
21. Ol' Santa's pack held thirty gifts
22. All tagged for girls and boys.
23. From the clues you've been given
24. Now guess who made what toy!
